Description	Thorium Reader is the EPUB reader of choice for Windows, MacOS and Linux. This application is in constant development and aims at becoming a reference for accessing EPUB 3 publications in reflow or fixed layout format, audiobooks and visual narratives, PDF documents and DAISY 2.02 and 3 accessible ebooks; LCP protected or not. Huge efforts are also made to get Thorium Reader highly accessible for visually impaired and dyslexic people. This application is free, with no ads and no leaks of private data. This is the perfect tools for heavy readers, library patrons and students.
