Genially

Language(s) available	English, Spanish, French, Portuguese, Italian, German
Category	Tool, Platform, Quiz
Type of Resource	Web platform
Author(s)	Genially Web, S.L.
Country of origin	Spain
Targeted group	Teachers
Description (150 words maximum)	Presentation tool for creating fun interactive content via templates, including presentations, infographics, slideshows and training materials, as well as games such as quizzes and escape rooms. The interactivity encourages students to engage actively with the material they are seeing. It can be used collaboratively by students in groups, or alone. Core features are free of charge, but you must create an account.
